Shaggy

Tejidos de rizo 100% acrílico tintados en masa, que combinan la suavidad de una toalla con una durabilidad y resistencia excepcionales en entornos de alta salinidad. Una elección ideal para una gran variedad de aplicaciones marinas, como hamacas, fundas y cubiertas de defensas.

Los tejidos **RECASENS** de fibra acrílica tintados en masa están diseñados para un uso en exteriores, ofreciendo propiedades resistentes a la decoloración, una máxima solidez del color a la luz solar y a la intemperie, resistencia a entornos salinos y una garantía de larga duración.

Los tejidos Shaggy se caracterizan por su rizo, que les confiere una textura suave y absorbente. Gracias a nuestro exclusivo Proceso Infinity repelen el agua, la suciedad y el moho, lo que garantiza un alto grado de resistencia, fácil limpieza y mantenimiento y un confort superior.

100% solution-dyed acrylic terry fabrics that combine the plush softness of a towel with exceptional durability and resistance to high salinity environments. An ideal choice for a variety of marine applications, such as sunbeds, covers, and fender covers.

The **RECASENS** solution-dyed acrylic fiber fabrics are designed for outdoor use, offering fade-resistant properties, maximum color fastness to sunlight and weather, resistance to saline environments, and a long-lasting life warranty.

Shaggy fabrics are characterized by their looped pile, which gives them a soft and absorbent texture. Thanks to our exclusive Infinity Process they are water, dirt, and mold repellent. This ensures a high degree of resistance, easy cleaning and maintenance and superior comfort.
